The loans and investments made by the Company to unquoted EOBs are aimed at delivering equity-like returns. Each loan or investment is tailored to the individual investee company's operating performance and specific working capital needs.

The Directors believe that the unquoted EOBs in the Company's portfolio currently generate total turnover of around GBP 71 million per annum and support approximately 630 jobs.

Total Unquoted Investments (including short term loans) as at 31 May 2018

Cost: GBP 5,319,115

Valuation (including capitalised costs): GBP 5,815,746

BASIS OF VALUATION

Each of the unquoted investments is included at the Directors' assessment of fair value, in accordance with International Private Equity and Venture Capital Guidelines. Nevertheless, as a matter of prudence, the Directors have provided for a general provision equivalent to 2 per cent. of the value of the unquoted investments for possible impairment. The Directors do not, however, believe that any general provision impairment is necessary in respect of any of the Company's current unquoted investments.

Account is taken of any potential taxation liability in respect of the increase in value of investments on an annual basis, as at the Company's year-end.

The Directors of the Company are responsible for the contents of this announcement.
